

FOODMAX DDO

Product code: 264500901

Vegetable based dough divider oil

This product is produced from highly refined vegetable base oil (edible vegetable oil with sunflower lecithin (E-322) to warrant a trouble free and extremely clean operation when used as a dough divider oil. Both products offer direct contact lubrication in dough dividing applications in case the use of mineral lubricants are not allowed because of local or domestic regulations.

The product is suitable for use as dough divider oil and 3-H approved for direct contact with foodstuff. Ensures excellent release of dough in bowls, chutes, choppers and dividers in bakery processes. It can be applied by spraying, brushing and centralized lubrication.

Note: Allergens: This product is produced only from FDA listed ingredients which are free from animal derived materials, nut oils, soya, dairy and genetically modified ingredients.

Benefits & Advantages

- Non-toxic and biodegradable
- High stability to oxidation
- Resistant to gum formation
- No odor on finished product and does not affect taste
- Can be applied with automatic spray systems, hand spray or brush
- Better preservation of materials
- Does not contain paraffinic components

Typical Performance Data

Typical	Test Method	Value
Colour		Clear yellowish
Base oil		Refined vegetable oil
Viscosity @ 40 °C, cSt		32
Viscosity Index		180
Density @ 20 °C, g/cm ³		0.910
Flash point, °C, min		300
Pour point, °C, min		-15
Biodegradability, %		>95
Skin irritation potential		Non irritating
Halal approval		Yes
Kosher approval		Yes
NSF approval		Nonfood Components Program Listed 3H 152986
