

FOODMAX GREASE SI 00

Product code: 263702201

Food grade silicone grease

Foodmax Grease SI 00 is part of a range of adherent silicone-based greases for the lubrication of valves and taps, available in different grades for several applications.

Foodmax Grease SI 0, 00, 1

- Designed to lubricate threads in universal taps
- High lubricating capacity
- Excellent sealing capacity
- Suitable for application through centralized lubrication

Compatibility with elastomers

Foodmax Grease SI series are compatible with all standard elastomers (including EPDM), except for (partially) silicon-based elastomers.

Typical Performance Data

Property	Test Method	Value
Colour		Translucent white
Thickener		Inorganic
Base oil type		Silicone
NLGI class		00
Dropping point, °C		None
Service temperatures, °C		-45 - 180
NSF Registration (H1)		-
Kosher approval		Yes
Halal approval		Yes

All performance data on this Technical Data Sheet are indicative only and can vary during production.
