

Performance[®] CLEAN FOAM #60

INDUSTRIAL FOAM CLEANER

Product Code

267801001

Industrial Sprayscans

CLEANER

Industrial Foam Cleaner

This product is a high quality, universal cleaning foam for light contamination. The creation of Foam ensures long contact time for effective cleaning. Performance Foam does not drip even on vertical surfaces.

Performance Clean Foam can be used in industrial workplace environments, counters, wall tiles, furniture, car parts, doors, whiteboards, sanitary fittings, kitchen cupboards, garden furniture.

Benefits:

- Removes deposits of smoke, ink and grease
- User-friendly
- High dissolving properties
- Subtle scent
- Water-based
- Solvent free
- Safe for use on most plastics, rubbers and paint

e 400ml

Typical Performance Data

Typical	Value
Base	Tenside solution
VOC content, % w/w	25
Colour	Transparent
Odour	Characteristic
Density @ 20 °C, g/ml	0.96
pH	9.5 to 10.5

How to use:

Shake aerosol well before use. Apply multi foam cleaner from a distance of 12-20 cm and allow approx. 15 seconds for the foam to penetrate the contamination. Remove the dirt with a dry, clean cloth. Repeat above procedure if needed.
